00:00:05,790 --> 00:00:11,
When it comes to talking s

4
00:00:11,850 --> 00:00:15,
Bob Walters and Brett
Grasso are the authority.

5
00:00:16,880 --> 00:00:17,
Can't wait.

6
00:00:17,820 --> 00:00:20,
When it comes to talking
sports, they're the author

00:00:20,920 --> 00:00:24,
It's Bob Walters and Brett

Yankees lose their seventh
Cole gets roughed up out a

13
00:00:52,160 --> 00:00:54,
Wanda Franki may never pla
another baseball game ever

14
00:00:55,400 --> 00:00:59,
Peter Alonso throws away m
first major league hit and

00:01:05,450 --> 00:01:06,
Hey, what's going on?

18
00:01:06,120 --> 00:01:09,
Sorry I've been gone so lo
for holding it down, Bob,

19
00:01:09,760 --> 00:01:10,
Appreciate it.

20
00:01:10,550 --> 00:01:10,
Do what I.

21
00:01:10,790 --> 00:01:14,
Can. Appreciate it. Dad's
really well. Recovering ve

22
00:01:15,150 --> 00:01:19,
I have had my hands full o
Um, but between that and w

23
00:01:19,310 --> 00:01:22,
I haven't been around the
weeks, but very glad to be

24
00:01:23,170 --> 00:01:27,
on the Yankees. Um, quick
father, Mike Rossell. Lemme

25
00:01:27,620 --> 00:01:30,
this guy, star Yukon runni

26
00:01:30,310 --> 00:01:34,
back 19 68, 69, 70,
lemme tell you, goes on.

27
00:01:35,500 --> 00:01:38,
Used to play with guys lik
one of ours at, Hero fa

28
00:01:38,550 --> 00:01:41,
Bobby Valentine used to pl
against in football, um,

29
00:01:41,620 --> 00:01:43,
coached by Lou Holtz went

30
00:01:43,750 --> 00:01:45,
Holtz was the coach of, of

31
00:01:45,970 --> 00:01:47,
He was one of the assistan

32
00:01:47,710 --> 00:01:48,
Okay. Really? Okay. Yeah.

33
00:01:49,090 --> 00:01:50,
And it was like, man back.

34
00:01:51,030 --> 00:01:52,
I didn't know that either

35
00:01:53,090 --> 00:01:54,
But that's how the Lou Hol

36
00:01:56,890 --> 00:01:56,
Do you wanna know what
kind of, what kind of, uh,

37
00:01:56,780 --> 00:02:00,
swag my dad holds over
at Yukon. It's 1995, uh,

38
00:02:02,090 --> 00:02:04,
six or maybe nine, late 95

39
00:02:04,910 --> 00:02:09,
Spring of 96 we go to Yuko
college visit for my broth

40
00:02:10,290 --> 00:02:14,
and Andy Baylock, we're ta
guy is still like the athl

41
00:02:14,390 --> 00:02:17,
like the head of uconn, my
since back when he was bac

42
00:02:17,810 --> 00:02:19,
we talk to him every month

43
00:02:19,590 --> 00:02:23,
I got a special guest gonn
show you around campus tod

44
00:02:23,550 --> 00:02:26,
all right, cool, cool. We
around, me and my dad, my

45
00:02:26,030 --> 00:02:28,
my brothers getting ready
go to college. So we go in

46
00:02:28,850 --> 00:02:32,
he walks us into the baske
talking about the Yukon. W

47
00:02:32,720 --> 00:02:36,
Yukon basketball gym. We w
the whole team, you know w

48
00:02:37,510 --> 00:02:41,
the entire 9 a women's b
team getting ready for the

49
00:02:41,750 --> 00:02:42,
96th Olympics.

50
00:02:43,490 --> 00:02:45,
And you know what they
do? Okay, good, good.

51
00:02:46,090 --> 00:02:48,
You know who comes out to
us around campus for the d

52
00:02:48,530 --> 00:02:49,
And I'm not talking for fi

53
00:02:51,110 --> 00:02:54,
I'm talking she was around
an hour. Take you to lunch

54
00:02:54,180 --> 00:02:55,
Full uniform.

55
00:02:55,870 --> 00:02:57,
I was just gonna say yea,

56
00:02:57,230 --> 00:03:01,
she walked around campus a
lunch in her full uniform

57
00:03:00,670 --> 00:03:02,
Just us, nobody else.

58
00:03:02,900 --> 00:03:04,
Oh, in, in. In what?
In the dining hall. We.

59
00:03:04,920 --> 00:03:07,
So in, she's shooting hoop
hanging. She's like, here'

60
00:03:11,120 --> 00:03:11,
So I'm talking, I'm like m
arena with a rebe, Rebecca

61
00:03:11,120 --> 00:03:16,
and she's like, all right,
us around, shows us a few

62
00:03:16,640 --> 00:03:16,
we go pop in dining hall,
a quick lunch with a Rebec

63
00:03:18,710 --> 00:03:19,
have a great time going ba
go win a gold. See you guy

64
00:03:20,740 --> 00:03:23,
you get better, better tha
than the World Cup. Win th

65
00:03:23,720 --> 00:03:26,
Even now, they still tell
out to games. And even aft

66
00:03:26,040 --> 00:03:27,
Lemme tell you, my fatherr
got some pull around there

67
00:03:28,020 --> 00:03:31,
But even so after that pra
squad for the New York Jet

68
00:03:31,360 --> 00:03:35,
Handoffs from Namath. Lemme
that's why you know people

69
00:03:35,580 --> 00:03:38,
you, you like the Giants.
liked the giants your fami

70
00:03:38,720 --> 00:03:39,
Giants. Yeah, pretty much.

71
00:03:39,950 --> 00:03:41,
Were were they giants?

72
00:03:42,230 --> 00:03:43,
They weren't. No, no <laugh

73
00:03:43,880 --> 00:03:44,
Were Jack.

74
00:03:44,340 --> 00:03:48,
No, no that nobody in my f
anywhere near the size to

75
00:03:48,580 --> 00:03:53,
Giants. Giants, anything.
No. A kicker. It could be

76
00:03:53,340 --> 00:03:54,
You you had a shot. You ha

77
00:03:54,600 --> 00:03:57,
A shot. I had a shot. I ha
used to make like 40 yard

78
00:03:57,120 --> 00:03:58,
That's about it. That's
about it. But that's.

79
00:03:58,800 --> 00:03:59,
A quick, but so.

80
00:03:59,440 --> 00:04:01,
I mean, last time you that
listen, we can't wait to s

81
00:04:01,840 --> 00:04:05,
Mike's gonna be strolling
again in a little bit. He'

82
00:04:05,280 --> 00:04:08,
he is gonna be fine. It's
saved his life. It was gre

83
00:04:08,200 --> 00:04:11,
we got close, we got close
Mike, but we got a back fi

84
00:04:11,120 --> 00:04:14,
Why? Finally I figured out
became a nurse. It was all

85
00:04:15,120 --> 00:04:15,
<laugh>.

86
00:04:16,380 --> 00:04:18,
All that education and
money. We finally paid off

87
00:04:18,600 --> 00:04:19,
All that time is jail and
everything and all that. W

88
00:04:20,760 --> 00:04:24,
Over. We'll look over. And
that's a guy who's gonna d

89
00:04:24,620 --> 00:04:24,
Hey.

90
00:04:24,880 --> 00:04:26,
I was like, yeah, listen,

91
00:04:26,450 --> 00:04:28,
Let's, let's take care
of that. And then we did.

92
00:04:28,200 --> 00:04:31,
None of us are getting out
a alive. Um, a hundred perc

93
00:04:32,040 --> 00:04:35,
You know, I'm at what it is
you were, last time you we

94
00:04:36,600 --> 00:04:39,
I mean the Mets were like
formed team. They were, th

95
00:04:39,120 --> 00:04:39,
I actually think.

96
00:04:39,640 --> 00:04:42,
I think some of my comment
like, we're about to make

97
00:04:42,960 --> 00:04:45,
But I was also on the, I'm
we should sell everybody.

98
00:04:45,400 --> 00:04:46,
And if you don't forget,

99
00:04:46,420 --> 00:04:49,
you didn't think there was
Scherzer and Verlander wer

100
00:04:49,280 --> 00:04:52,
this is funny how they, in
doesn't even had this conv

101
00:04:52,140 --> 00:04:55,
You know, they paid all
but what they did is they
paid everything they paid,

102
00:04:55,910 --> 00:04:58,
They're still paying their

103
00:04:58,140 --> 00:05:02,
The Mets basically paid 20
for five Mount minor leagu

104
00:05:02,830 --> 00:05:02,
Have you seen what they're
there? They're on hot. I'm

105
00:05:02,410 --> 00:05:06,
these kids are incredible
they got, lemme tell you,

106
00:05:06,090 --> 00:05:08,
And Drew Gilbert, drew Gil
is gonna be playing for th

107
00:05:09,160 --> 00:05:10,
He's an right now.

108
00:05:10,820 --> 00:05:12,
80 home runs in aa, uh,

109
00:05:12,150 --> 00:05:15,
He is raking it like three
Binghamton right now. Lemm
the guys they picked up wi

110
00:05:15,320 --> 00:05:22,
Whatever we do with them o
traded to somebody else. T

111
00:05:22,800 --> 00:05:26,
And that kid's a college p
the World Series, like bac
tell you that kid, it's,

112
00:05:26,280 --> 00:05:28,
That kid's good. Lemme
tell you that kid, it's,

113
00:05:28,280 --> 00:05:31,
Just frustrating. It's so
frustrating because it's a

114
00:05:32,320 --> 00:05:35,
I was watching again. They
were having walk off box.

115
00:05:35,860 --> 00:05:37,
they were awful. And
like to get rid of them.

116
00:05:37,560 --> 00:05:40,
And now basically we've pa
on next year. It's just so

117
00:05:40,400 --> 00:05:43,
it's so disappointing. It
is. I played back, uh, our

118
00:05:43,840 --> 00:05:45,
We were talking World seri
you had it in your back po

119
00:05:47,340 --> 00:05:48,
it was terrible.

120
00:05:48,400 --> 00:05:49,
I still do. It's gonna.

121
00:05:50,840 --> 00:05:54,
<laugh> Now, The Yankees,
the Yankee, like, The Yank

122
00:05:55,020 --> 00:05:55,
are not much better.

123
00:05:55,100 --> 00:06:00,
The Yankees today lost the
straight game to the Red S

124
00:06:00,880 --> 00:06:04,
They got blown out. Cole,
blown out again this after

125
00:06:04,240 --> 00:06:07,
this afternoon, which is d
Cole, got out there. They

126
00:06:07,950 --> 00:06:12,
He's the stopper. He's the
stop the bleeding, like th

127
00:06:12,520 --> 00:06:16,
They needed Cole. He's be
a grand slam, a two run ho

128
00:06:16,000 --> 00:06:18,
Six runs in the, in four i

129
00:06:18,780 --> 00:06:19,
He threw two bad pitches.

130
00:06:21,100 --> 00:06:22,
So, 'cause he loaded the b

131
00:06:22,540 --> 00:06:26,
He walked through. He thre
Well, he threw two really

132
00:06:26,200 --> 00:06:28,
Now, you know what Cole ha
like, you know what, Cole

133
00:06:28,160 --> 00:06:30,
on for last year in the
playoffs this year, he's g

134
00:06:30,750 --> 00:06:34,
he's been a good pitcher t
what is now I mean, look.

135
00:06:34,840 --> 00:06:37,
Yankee fans won't wanna ad

136
00:06:37,640 --> 00:06:39,
Tino Yankee team is as bad
as it's been. What'd you s

137
00:06:39,640 --> 00:06:41,
Like 30 years or something

138
00:06:41,120 --> 00:06:44,
The, the, the Yankees have
finished under 500 since 1

139
00:06:45,220 --> 00:06:47,
And when that had the bill
had two Super Bowls to loo

140
00:06:48,540 --> 00:06:49,
Wow.

141
00:06:49,220 --> 00:06:51,
So I mean the Yankee and
they're terrible team.

142
00:06:51,140 --> 00:06:54,
The Mets are closer to the
than the, than the Yankees

143
00:06:54,540 --> 00:06:58,
Do you listen, Cole's in t
Listen, Cole's in his prim

144
00:06:58,260 --> 00:06:59,
Cole's really like,

145
00:06:59,150 --> 00:07:02,
he's doing everything he w
do for the Yankees he's co

146
00:07:02,420 --> 00:07:06,
for. Is he wasting his pri
Yankee? Has anybody even e

147
00:07:06,980 --> 00:07:07,
No. In the last.

148
00:07:07,820 --> 00:07:09,
The last 20 years. No.

149
00:07:09,540 --> 00:07:12,
I don't think, I don't thi
is because I mean, he went

150
00:07:12,080 --> 00:07:15,
they went to the conferenc
conference, the, the A L C

151
00:07:15,000 --> 00:07:17,
They go to the playoffs ev
right? This is gonna be th

152
00:07:17,470 --> 00:07:19,
They missed the playoffs t
Like, uh, 12, 13 and 16 or

153
00:07:21,750 --> 00:07:26,
He's in the playoffs every
That's all you can ask for

154
00:07:26,280 --> 00:07:28,
They're terrible. And list
they're not getting any be

155
00:07:28,790 --> 00:07:29,
It's not gonna get better

156
00:07:30,340 --> 00:07:31,
That's what I mean is this
team is not set up. I mean

157
00:07:33,800 --> 00:07:35,
I don't know what kind of
moves they're gonna make,

158
00:07:35,200 --> 00:07:38,
but they don't look like t
be like the old Steinbrenn

159
00:07:38,000 --> 00:07:39,
They don't look like they'
go out and power their way

160
00:07:40,880 --> 00:07:44,
Even like these Cohen was
about doing last year. I,

161
00:07:44,590 --> 00:07:48,
next year may not be bette
be always competing for th

162
00:07:49,100 --> 00:07:51,
But I think that's the tea
they're formulated now as

163
00:07:51,920 --> 00:07:54,
you're not gonna be better
know what? They got judged

164
00:07:54,840 --> 00:07:59,
Stan's getting older. Stan
Volpe is Volpe. Okay. Vol

165
00:07:59,600 --> 00:08:01,
they've let vol, one thing
is they, they've let 'em p

166
00:08:01,930 --> 00:08:04,
which is what something yo
have to do just to find ou

167
00:08:04,540 --> 00:08:07,
how somebody is like that,
Yankees are not getting be

168
00:08:07,420 --> 00:08:10,
And they proved they're no
Steinbrenner, they proved

169
00:08:10,500 --> 00:08:13,
But they proved doing noth
doing anything at the trad

170
00:08:13,590 --> 00:08:16,
They tried to sell you wha
they did. Remember what the

171
00:08:16,440 --> 00:08:18,
our trade deadline is, we'
getting the ground back.

172
00:08:18,090 --> 00:08:20,
We're getting the ground b

173
00:08:20,280 --> 00:08:21,
And that's how we're getti
top pitcher at the trade d

174
00:08:21,140 --> 00:08:26,
And they tried to sell you
we're getting judged back

175
00:08:26,280 --> 00:08:28,
getting the pitcher back.
And, and the bullpen,

176
00:08:28,880 --> 00:08:30,
which has been their best

177
00:08:31,700 --> 00:08:34,
has not just hasn't been
good in the second half,

178
00:08:34,440 --> 00:08:38,
I got turn up on social me
for giving the Yankees a c

179
00:08:39,320 --> 00:08:41,
bullpen saying they went A
bullpen. And ever since th

180
00:08:41,960 --> 00:08:43,
has been terrible.
You know what it is.

181
00:08:43,760 --> 00:08:45,
'cause they don't come
through in big spots.

182
00:08:46,830 --> 00:08:48,
They got good numbers and
don't come through good sp

183
00:08:48,900 --> 00:08:51,
You scouted them out and y
called it C Give 'em a c.

184
00:08:52,420 --> 00:08:56,
Nobody, nobody gives me an
this stuff. But, and liste

185
00:08:56,440 --> 00:08:59,
the Yankees got blew. This
This is the end of the Yan

186
00:08:59,840 --> 00:09:03,
This is the end of the, th
for New York. This series.

187
00:09:03,620 --> 00:09:05,
The Red Sox are gonna bury
They're getting buried now

188
00:09:05,310 --> 00:09:07,
They're seven and a half
outta the wild cards.

189
00:09:07,160 --> 00:09:10,
They've lost two straight
They're five games behind

190
00:09:10,270 --> 00:09:11,
It's.

191
00:09:11,560 --> 00:09:12,
Over. We talked about it.

192
00:09:12,200 --> 00:09:15,
There was a point where th
where you had to keep it w

193
00:09:15,190 --> 00:09:18,
nine games or 10 games.
And that was a month ago.

194
00:09:18,940 --> 00:09:22,
And now seven games is lik
astronomical. Seven games

195
00:09:22,200 --> 00:09:25,
and the number of teams yo
leap just to get there is

196
00:09:25,200 --> 00:09:25,
Seven games.

197
00:09:25,980 --> 00:09:29,
To say too many. It's way

198
00:09:29,360 --> 00:09:29,
No. If you look at it, it
like very, very difficult.

199
00:09:29,360 --> 00:09:32,
Especially if you're not j
um, a good team underperfo

200
00:09:32,600 --> 00:09:36,
That's one thing. But if y
on a mediocre team playing

201
00:09:36,540 --> 00:09:39,
you're not, you don't have
that's just gonna show up

202
00:09:40,460 --> 00:09:42,
And the fasting team, okay

203
00:09:43,230 --> 00:09:45,
No, you look at the Yankee
look at somebody like sayi

204
00:09:45,600 --> 00:09:47,
they've just, they've not
guys who you think that th

205
00:09:47,870 --> 00:09:50,
It's not like you look at
lineup. Their names are st

206
00:09:51,580 --> 00:09:53,
but they're not playing th

207
00:09:53,120 --> 00:09:54,
The only reason, the only
reason they're anywhere.

208
00:09:54,860 --> 00:09:57,
The only reason they're ev
a half is because of Judge

209
00:09:59,060 --> 00:10:00,
Mm-hmm. 'cause you do
have Cole every fifth day.

210
00:10:00,980 --> 00:10:02,
And usually he today was

211
00:10:02,840 --> 00:10:05,
Getting the 60 or 70% of j
saying like you normally w

212
00:10:05,960 --> 00:10:07,
like that full on.

213
00:10:07,820 --> 00:10:09,
especially with support in
and all the other stuff. I

214
00:10:09,440 --> 00:10:11,
And the fact that, you kno
you wanna make, you can ma
real good with a better te

215
00:10:11,960 --> 00:10:15,
once the lineup's a little
Stanton's hitting. Well, a

216
00:10:15,320 --> 00:10:17,
other guys were playing li
last year when they were p

217
00:10:17,920 --> 00:10:20,
well, remember, look back.
You know they were last ye

218
00:10:20,800 --> 00:10:22,
Stanton. The Yankees had s
scored more runs over a sp

219
00:10:22,040 --> 00:10:25,
Judge.

220
00:10:25,180 --> 00:10:26,
I mean, let me play

221
00:10:26,900 --> 00:10:27,
I remember

222
00:10:28,760 --> 00:10:30,
