PODCAST GUEST AGREEMENT AND RELEASE

I agree to appear as a guest on Global Trial Accelerators™ (the "Program"), produced by IMH ASSETS CORP, a Florida corporation doing business as bioaccess®, together with its successors, assigns and affiliates ("Producer"). I grant Producer the right to record, reproduce, edit and use my name, voice, photograph, likeness, biography and performance, and any materials I provide for the Program ("Materials"), in the Program and in excerpts, transcripts, blog posts, social posts and other promotion of the Program, in any media, anywhere in the world, for as long as the rights last. I acknowledge and agree:

1. Producer owns the Program and the recordings of it. My contribution is a work made for hire for Producer under the United States Copyright Act (17 U.S.C. § 101 and following) to the extent the law allows. To the extent any part of it is not a work made for hire, I assign to Producer all of my rights in it. Producer may use, edit, promote and distribute the Program and the Materials as often as it likes, in any media, anywhere in the world, without further permission from me and without paying me. I keep ownership of my own underlying ideas, and of any materials I created before the recording.

2. I waive any right to review, inspect or approve the Program, or any excerpt or other use of it, before or after it is published. Producer decides the final edit.

3. I am not paid for appearing. The chance to be on the Program, and the exposure that comes with it, is all I receive.

4. Producer does not have to publish the episode, or use any of the rights granted here.

5. Producer may use my name, photograph, likeness and biography to promote the Program. That is not an endorsement by me of any product or service.

6. I release Producer and its officers, directors, employees, agents, successors, assigns and affiliates from claims arising out of the recording, editing, publishing or other use of the Program and the Materials as this agreement allows.

7. I am 18 or older and I have the authority to sign this. Nothing else stops me from granting these rights. I will not bring a claim whose purpose is to undo the rights granted here. Producer will rely on this agreement and will spend time and money producing the Program because of it. This agreement is governed by the laws of the State of Florida.

8. Once Producer publishes the episode, I may share it and link to it. I will not share someone else's confidential information on the Program.

By typing my full name and submitting this form, I confirm that I have read this agreement and I am signing it of my own free will.
